### GOD'S PLAN

Saint Peter speaks to us twice today. In the first reading, we hear an excerpt from his sermon on Pentecost; in the second, part of his first letter. Once a frightened, uneducated fisherman who often said just the wrong thing, now Peter is speaking what he knows to be true. Everything Jesus had said now makes sense. His death and rising were all part of God's plan, and our faith and hope can be centered on God.

Today's Gospel tells the story of Jesus' walk to Emmaus with two of the disciples. Frightened, sad, and confused, the two of them don't recognize Jesus, who tells them what we heard Peter say above: All this had to happen as part of God's plan. In the end, these disciples recognize Jesus as we are to recognize him – in the breaking of the bread.
