CHRIST FORETOLD

In Genesis, Melchizedek is described as a king who is also a priest. As this story is usually interpreted, Melchizedek's action of bringing out bread and wine and blessing it with praise to the Creator is a prophetic action. Seen as a prefigurement of the action of Jesus, he foretells to Abram the One who is to come, the Messiah. The psalm echoes this theme in the time of David the King, who praises and thanks God and proclaims the preexistence of the Christ, who is given princely power from "the day of your birth, in holy splendor" (Psalm 110:3). God has promised this to David and his descendants forever, and God will never go back on this promise.

End of Life Issues

Seminar

Wednesday

June 30, 6:30pm

Mary Star of the Sea Room

Many persons are concerned about who makes those crucial decisions for us when we are confronted by a serious illness or injury. **Eve Corcoran**, pastoral care administrator of Sacred Heart Hospital on the Emerald Coast, will present many of the thorny issues that surround these end-of-life decisions, and give us guidelines and suggestions as we inform our loved ones precisely what our wishes are. In addition, she will provide us with the advanced directive forms that can be filled out right then and there, thus completing one of the crucial documents that can be placed in our medical files. This presentation is free and is part of our Spirit Nite program.
