

## Neither a borrower.....

Please do not **"BORROW"** anything from the Church without first calling the Office and asking permission. We have a number of items that have just disappeared. When setting up for the Anniversary Potluck, we discovered that a large number of forks were missing. This is only one example of items that have gone missing. We don't mind sharing .....but please don't borrow without asking permission first. We may need that item ourselves on the day you wish to borrow it. And if you have borrowed something and have not returned it .....please do so ---there will be no penance.

**JOURNEY OF FAITH**  
We are on a long and eventful journey. Today's readings for Trinity Sunday succinctly cover the depth and breadth of our human travels.  
The very beginnings of our journey are revealed in the reading from Proverbs. God's plan filled with divine wisdom was born before the earth was made. In today's Gospel, Jesus speaks of his own personal journey. He has come from the Father and will return to the Father. Only then will the Advocate—the Spirit of Truth—take us onward.  
This does not diminish the fact that the journey will be hard. The very setting of the Gospel is the night before Jesus died. As Saint Paul writes to the Romans, "[W]e even boast of our afflictions, knowing that affliction produces endurance, and endurance, proven character, and proven character, hope" (Romans 5:3-4).  
Ultimately, our human journey is modeled by the Holy Trinity—a family of love among Father, Son, and Spirit that we are all called to emulate.
