Treasure Report: Balance as of the above date \$2,267.80

Church used some of Men's food we had left over from Freeport Food Festival for the Mortgage Burning but we have not been credited as the above date. Approx.\$100.00

Old Business:

Bill Hodge has put together a list of volunteers and passes to festival will be available. Menu will be a fish menu plus fried meat pies and fruit pies. Signs are being made for the side of the trailer as per President Klein. Bill Hodge requested that volunteers have a meeting in the morning to get organized for various shifts.

New Business:

President Klein outlined the new scenario for the Men's Club meeting which will include a speaker at the meetings and that the CCW and the Men's Club join together for the events. A list of speakers was read to the members plus the idea of serving wine and Hors d'oeuvres. The board will meet separately and present any new business of the board to the members before the speaker. It was also suggested that a Bingo night be included in the activities which the CCW is interested. As Father suggested before hand at a board meeting... this was to be targeted to adults of the church and a nursery would not have be initiated.

It was put up for a vote and approved. One person voted no.

It was decided later by the board that we should still have full participation from the members and not just the board, so President Klein would like to start the business meeting for those who wish to attend at 6:00 and speaker at 7:00.

This new program will be used for the coming year in order to see if attendance can be improved.

Monies donated from the Men's Club for he coming year will be as follows:

St. Vincent de Paul Society

Habitat (\$2, 500.00)

Boy Scouts

Religious education

CCW

Church interior lighting (long term project)

Sacristy & other church necessities (\$500.00)

Mary Star blinds for windows

Misc. (\$500.00)

Reserve fund (\$2,500.00)

The agenda was seconded and proved by the members.

President Klein closed the meeting with a prayer.

End of report.
